

I  
thought we are done fighting  
don't understand why  
you need  
to fight me this occasion  
reunion dinner  
is always with me,  
his  
dad and  
there is to be no exception

You  
just want  
to win every argument  
I usually let you  
but not this time  
as I will not be  
defeated

I  
thought we are done  
I want  
to live my life happy  
which is why I choose  
reunion dinner  
to be : son  
mom  
bonding

You  
just need  
to  
be  
responsible with  
your  
agreed alimony

I

don't

want

to

choose

between

dad

and

mom

I

just

need

to

be

loved

as

your

son
